

## FREE First Grade Subtraction Practice 1-10 Worksheet (practice sheet 1-1)

Dear Parents:

These math worksheets are ready for brief math skills practice sessions. Not too long, and focused on a single skill, these sheets will provide your child with lots of chances to memorize the math facts 1-5 of subtraction.

What you should do is have your child work through the [www.Sensible-Math-Education.com](http://www.Sensible-Math-Education.com) worksheets in order, completing one at each practice session. Your child should do, and re-do, each sheet until it's automatic. That is, until he can work through it as fast as he can write.
